What is empowerHER UK?

empowerHER UK, an international nonprofit with a very specific mission – to empower, support, and connect girls and young women (up through age 24) who have experienced the loss of their mother. empowerHER UK provides events that remind them they are not alone in their grief, and a unique one-on-one mentor program with positive role models from the community who help teach them that loss is survivable.

Cara was nine years old when her mother Kit died of breast cancer and formed empowerHER UK as a grassroots movement out of the gratitude she had for all the layers of support her family received growing up. empowerHER UK operates with a lean staff and thousands of volunteers from across the globe and all programs remain at no charge to the family. For more information, or to become a Mentor or enroll a child, please visit www.empowerheruk.org.

What is LUMINARIA?

LUMINARIA is a whimsical display of personalized luminaries honoring loved ones. Each luminary is purchased by donors from around the globe for a suggested £20 donation. Hundreds of volunteers and donors have come together to create the display and support children who have experienced parent loss. What started along the coast of Boston, now takes place internationally.

Why partner with empowerHER UK?

LUMINARIA honours and remembers our loved ones in unprecedented ways and all funds raised support year-round operations. LUMINARIA raises critical operating funds, and equally important, spreads awareness of programs to families who will benefit from our life-changing programs.
